And I don't want him to lose that trust, by tracking her down . . .
But I'll try to speak to him tomorrow, if I can.

Thanks Bernie, I understand. I know this is really hard. I appreciate the offer and I will get the receipts to you shortly. Cherie
I DO TRUST HIM. I have spent a lot of time on this and I think Joanne trusts him for now.

Cherie: I don't want to scare Joanne into running somewhere.

That's my worry.

And he seemed entirely too anxious to get paid, and then do work to justify the pay, which I think will come to nothing.

I should just send you a check, say for \$10k, and then you can report expenses later; I don't want you to be significantly out of pocket.

I will do so.

We should talk first.
Unfortunately, I am totally flat out through tomorrow, I can call you on Thursday, if that is okay.
I think there is zero chance that Joanne will volunteer for treatment.
I do want to make sure she has access to funds to cover ordinary living expenses.

Hello Mr. Black

This is investigator Esaun Pinto. I would like to travel to Denver this weekend and attempt to get Joanne help. After opening conversation with her again I seem to have gained her trust. She has provided information about her current condition with the promise of seeing me again. I would like to document her daily activities for a couple of days before meeting her. This will allow me to have someone intelligence which will be necessary to sort through her many stories. Once contact is made it may take a few days to gain her complete trust but I think ultimately we will be successful in getting her treatment.

I will need a client agreement from you detailing my efforts as well as a \$5k retainer. I will cover the travel expenses with the retainer and bill you for time and any additional expenses.
